REPORT OF DISTRIBUTION

of

Water Supply Entering Provo River

for the Water Year 1964

WALLACE R. WAYMAN, COMMISSIONER

IKE BAUM, DEPUTY

Provo, Utah
January 9, 1965

Mr. Wayne D. Criddle, State Engineer
State Capitol Building
Salt Lake City, Utah

Dear Mr. Criddle:

Transmitted herewith is the Provo River Commissioner's Report, Provo River Distribution System, for the 1964 Irrigation Season.

This Report includes daily tabulations covering the November 1, 1963 to October 31, 1964 period on Natural Flow, Duchesne Tunnel, Weber-Provo Canal, S.L. Aqueduct, Deer Creek Reservoir Storage, Provo River Flows 3 locations, Precipitation, and Utah Power & Light deliveries.

Special features of this report are listed under Exhibits #I through #III.

Very truly yours,

Wallace R. Wayman
Wallace R. Wayman
Commissioner

Utah County
